Request for expected graduates to input data into the Career Decision Reporting System

All students who are scheduled to graduate or complete their studies this academic year are requested to enter their future plans after graduation or completion into the Career Decision Reporting System by the deadline as stated below.

Your information from the system will serve as an important reference for the University to enhance our support for future graduates in seeking employment. Please note the information below and make sure that all the students fill out the form.

If you have not decided on your career path after graduate or complete, please enter your current status and update the information as soon as your career path is determined.

Furthermore, after entering your career path, you will be asked to fill out a questionnaire regarding your academic achievements.

Notes

[How to Enter Data] Access the Kumamoto University Portal and enter your data into the “Career Decision Reporting System”.

Kumamoto University Portal: <http://uportal.kumamoto-u.ac.jp>. Go to “Career Decision Reporting System” and then “Career Decision Reporting”
